Docket No. 253798

---

On March 17, 2005, we remanded this matter to the trial court for the limited purpose "of more fully addressing defendant's challenges to the scoring of Offense Variables Seven and Nine" and resentencing if necessary.

A hearing was held in the trial court on April 1, 2005, and the trial judge made his findings on the record and affirmed the original scoring of the guidelines. After a review of the transcript of that hearing, we are satisfied that the trial judge adequately addressed defendant's challenges to the scoring of Offense Variables 7 and 9, and we affirm defendant's sentence.
